# LASER EUROPE 2014

## 22 > 24 May

**Grand Hotel Krasnapolsky**  
Amsterdam, The Netherlands

**Hosted by DALA in cooperation with ESLAS and BMLA. Convened by ELA.**

LASER EUROPE has chosen the beautiful and lively city of Amsterdam for THE PLACE TO BE if you want to get updated about lasers, light, energy based devices, laser assisted surgery and aesthetic medicine.

There are so many conferences to go to but LASER EUROPE has a history of high quality presentations and hands-on workshops organized by a body of recognized and good cooperating societies which make colleagues feel part of a professional family.

Topics: Laser aesthetic surgery, ablative and non ablative fractionalized lasers, single suture traction technique for lower eyelid correction, ultrasound- radio frequency- LED for body and face, freeze or heat fat tissue, laser lipolysis, vascular and pigmented lesions, how to treat the complications of permanent fillers with laser and lipofilling, skin home care protocols, laser onychomycosis: facts & doubts, Dutch guidelines for the use of lasers & light, CEN guidelines in aesthetic surgical and non surgical services, PDT in skin/ ENT/ oral cavity/ neurology/ urology and the anti-microbial, clinical and scientific aspects of PDT photo diagnostics, hands-on labs on models and tissue.

**ESLAS**  
European Society for Laser Aesthetic Surgery
